

Environmental Management

The company providing this evidence has completed the online PAS91 question set, which includes a section on Environmental Management. The company is provided with two choices – either to provide evidence of a valid, in-date ISO accreditation (14001), a valid EMAS certificate or to answer 6 questions as per the PAS91 framework which describes the approach through sharing of policies and other documentation.

The evidence provided herein will be dependent on how the company has responded, as per the above options.

<p>Q1: Does your organization hold a certificate of compliance with BS EN ISO 14001 (or equivalent) issued by a Conformity Assessment Body accredited to provide conformity assessment services to that standard, e.g. accredited by UKAS, or you have a valid EMAS certificate, and can provide information to evidence this?</p>	<p>A1: No Evidence:</p>
<p>Q2: Do you have a documented policy and organization for the management of construction-related environmental issues?</p>	<p>A2: Yes Evidence: "Environmental Policy statement.pdf"</p>
<p>Q3: Do you have documented arrangements for ensuring that your environmental management procedures are effective in reducing/preventing significant impacts on the environment?</p>	<p>A3: Located in previous documentation Evidence:</p>
<p>Q4: Do you have arrangements for providing employees who will engage in construction, with training and information on construction-related environmental issues?</p>	<p>A4: Located in previous documentation Evidence:</p>
<p>Q5: Do you check, review and where necessary improve your environmental management performance?</p>	<p>A5: Located in previous documentation Evidence:</p>
<p>Q6: Do you have arrangements for ensuring that any suppliers you engage apply environmental protection measures that are appropriate to the activity for which they are being engaged?</p>	<p>A6: Located in previous documentation Evidence:</p>
