86/25 Minutes

Members received the Minutes of the Parish Council meetings held on the 5th August 2025, and **RESOLVED** to approve as a correct record, signed by the Chairman. **TW/VO**

87/25 Public Open Forum (Maximum 15 minutes)

A representative raised concerns on behalf of Bradfield Rovers Football Club regarding the ongoing relationship between the football club and the parish council. Concerns regarding the hire of the recreation ground hire pitch (Bradfield Allotments and Recreation Ground Charity) were raised. It was asked why the petition handed to the council was not mentioned. Questions regarding item 6 of the agenda were raised by the representative and expressed it is not guaranteed that BRFC will still be playing in this area in the future. It was asked if the hire policy (BARGC) will apply to all users of the area and questioned why anyone should be charged to use this area. The BRFC representative expressed that the government and TDC have grassroots funding, and the parish council do not appear to have the same ideas and questioned if the council will help the football club rather than putting financial charges in place, and what exactly has the football club apparently done wrong, having played here since 1986 and felt the relationship is worse now than before. Cllr Burton expressed that all users are to be treated the same who request exclusive use of the recreation ground. It was requested that the number of the people within the petition be published by BPC, which read at 695 signatures.

Another resident raised questions regarding the distance width and conditions of the footpath within the area. Cllr Coley expressed this is a Essex Highways issue and the resident asked that a footpath inspector should attend the area. Cllr Guglielmi offered for details to be emailed to be able to take it further for being addressed by Essex Highways. A resident mentioned the footpaths within the area are difficult to navigate and the widths appear to vary within the village, some issues with overgrown hedges but with many pavement users needing wide spaces it makes it difficult.

Two members of the public left the meeting at 7.44pm.

88/25 Town Planning Applications as per Schedule Issued by Tendring District Council

To consider the below schedule of applications:

25/01056/FUL Land North of A120 Horsley Cross Essex	Application for Full Planning - Solar Farm and Battery Energy Storage System (BESS) with associated substation, access tracks and equipment.	Cllr Coley felt there could be potential financial benefits to the parish council upon completion, clerk to query.
25/01127/FULHH Brock and Brewses Farm The Street Bradfield	Householder Planning Application - New vehicular access and parking at front.	No comment

89/25 Matters received in the post

- Members received correspondence from John Barrow on behalf of St Lawrence Church regarding the maintenance of the seating forming the churchyard wall in The Street, suitable repair is to be explored with relevant permissions to seek from Tendring District Council owing to its placement within Conservation Area. A resident confirmed estimates and specification has been received and this is moving forward positively.
- Members received extensive correspondence from Bradfield Rovers Football Club with further concerns regarding BPC's role as sole trustee of the Bradfield Allotment and Recreation Ground Charity. The clerk advised members that they should bear in mind they are present within this meeting as parish councillors. Cllr Webb offered that the stated figure of the charges by BRFC equating to £624 which assumes the pitch hire is £12 per use which is not accurate, owing to the use of the area being assumed no longer than 3hours, therefore the charge would be £6 for such use, not £12. Cllr Burton advised that exclusive use of the recreation ground would see chargers to users. A representative on behalf of Harwich Runners offered that they train on the recreation ground, would they be expected to be charged for use, Cllr Webb offered that should a club request exclusive use, then this would be relevant for hire. It was expressed of concerns of a necessity to have such charges, with concerns during a believed national mens' mental health crisis whether these charges are appropriate.

Cllr Burton expressed that there appears a resolution is elusive to any query raised by BRFC. In addition, Sir Bernard Jenkin MP and Monitoring Officer Tendring District Council have received correspondence on behalf of BRFC, the clerk was contacted for context and understanding which has been provided. It is believed that the Football Club has been advised Senior Caseworker and Communications Officer (Leah Stanford), the office of Sir

Bernard Jenkin that the matters raised have been considered fully and that the final decision of the council has been reached. As Cllr Burton advised BRFC at the meeting of the 5th August 2025, Leah Stanford confirmed to the clerk she would advise BRFC that Local Government and Social Care Ombudsman may be contacted if they still believe a resolution has not been reached. This information to be relayed by the clerk to BRFC in conclusion to their enquiries raised. Cllr Scott expressed the council's grant funding scheme has been advised to BRFC and projects can be funded by the parish council.
