

### Section 3 – External Auditor Report and Certificate 2019/20

In respect of **Bradfield Parish Council- EX0031**

#### 1 Respective responsibilities of the body and the auditor

This authority is responsible for ensuring that its financial management is adequate and effective and that it has a sound system of internal control. The authority prepares an Annual Governance and Accountability Return in accordance with *Proper Practices* which:

- summarises the accounting records for the year ended 31 March 2020; and
- confirms and provides assurance on those matters that are relevant to our duties and responsibilities as external auditors.

Our responsibility is to review Sections 1 and 2 of the Annual Governance and Accountability Return in accordance with guidance issued by the National Audit Office (NAO) on behalf of the Comptroller and Auditor General (see note below). Our work **does not** constitute an audit carried out in accordance with International Standards on Auditing (UK & Ireland) and **does not** provide the same level of assurance that such an audit would do.

#### 2 External auditor report 2019/20

Except for the matters reported below, on the basis of our review of Sections 1 and 2 of the Annual Governance and Accountability Return (AGAR), in our opinion the information in Sections 1 and 2 of the AGAR is in accordance with Proper Practices and no other matters have come to our attention giving cause for concern that relevant legislation and regulatory requirements have not been met.

The smaller authority has disclosed that it made proper provision during the year 2019/20 for the exercise of public rights, by answering 'Yes' to Section 1, Assertion 4. However, as was reported last year, we are aware that it failed to do this and therefore should have answered 'No' to this assertion. It has also disclosed that it took appropriate action on all matters raised in reports from internal and external audit, by answering 'Yes' to Section 1, Assertion 7, which, on the basis of the above, is not correct.

The AGAR was not completed before submission for review:

- Information received from the smaller authority indicated that the value in Section 2, Box 9 for the prior year incorrectly included an asset valued at £48,000 which should have been valued at £1. The prior year comparative should therefore have been restated and should read £217,561.

Other matters not affecting our opinion which we draw to the attention of the authority:

In the completion of the Annual Internal Audit Report, the internal auditor has drawn attention to significant weaknesses in relation to record keeping, accounting, VAT and retention of documents during the first part of the year under review. This was reflected in the "No" responses to internal control objectives A, B, C, D, E, I and J. The smaller authority has confirmed that these areas of weakness were addressed during the year and all outstanding issues were resolved prior to the AGAR being approved.

#### 3 External auditor certificate 2019/20

We certify that we have completed our review of Sections 1 and 2 of the Annual Governance and Accountability Return, and discharged our responsibilities under the Local Audit and Accountability Act 2014, for the year ended 31 March 2020.
