Catering Marquees

Food Lovers Delight mobile catering marquees are ideal for more discerning venues where vehicles may not be allowed to remain on the grass or where entrance space is limited and therefore only hand carried items or trolleys are permitted.

You may be simply going for a different look for your event and do not want a mobile catering trailer but still want a mobile catering service, or you may wish to combine mobile catering trailers and marquees – the choice is yours.

Each marquee measures approximately 4.5m x 3m (15ft x 10ft) and our modular system means that we can connect one or more marquees together to create a Food Court area.

Our marquees are good quality commercial grade – not the cheap domestic ones that some caterers use.

The menus available from mobile catering marquees include:

- Paella
- Griddle menu – Burgers, Sausages, Hot Dogs, Bacon etc
- Chinese
- Mexican Burritos
- Crepes (sweet and savoury)
- Indian

Catering Carts and Mobile Ovens

Because not everyone has the luxury of acres of land or huge premises Food Lovers Delight has introduced a range of smaller but equally effective mobile catering equipment that is designed to be used in smaller spaces.

Even if you have lots of space, you may be planning a themed event i.e., Victorian or simply looking for mobile catering equipment that is eye-catching & will attract the crowds or be a talking piece.

All of the equipment is suitable for outdoor use and many can be used indoors in well ventilated areas.

The mobile catering carts and ovens available include:

Roast Chestnut cart, Popcorn cart, Candy Floss cart, Hot Dog cart, Burger cart, Jacket Potato oven (Victorian style), Cornish Pasty oven (Victorian style), Pick and Mix cart (Victorian style), Toasted Marshmallow cart, Ice Cream cartridge machine, Toffee Apple cart, Sweet & Savoury Crepes cart
