Qualification Structure
<p>This qualification will be assessed through a portfolio of evidence.</p> <p>You will be assigned a personal assessor who will help guide you through the learning criteria for this qualification, delivered as a distance learning qualification.</p> <p>Learners will be required to undertake personal research and complete assignments in line with the qualification criteria. Work is submitted through building a portfolio of evidence which is submitted via completion of an E-portfolio.</p> <p>There are no exams required to pass this qualification. We do not require an observation of the learner in practice.</p> <p><b>This is a knowledge only based qualification – completing it does not qualify you to dispense medication for diabetes.</b></p>
Qualification Duration
<p>The duration of the qualification depends on whether you have had prior learning or prior achievements, as this may reduce the time spent preparing for the assessment. However, the</p>

<p>total time for this qualification is 150 hours. 110 of these hours are recommended as guided learning hours.</p> <p>This equates to approximately a 1-month timescale but is dependent on a learner being engaged in their studies, submitting evidence to match the learning criteria usually on a weekly basis to your personal assessor.</p>
<b>Costs</b>
<p>This course is £315</p> <p>If you are an employer and seeking your employee(s) to undertake this qualification, please note this qualification attracts funding from government pathways. The funding is delivered through the Learning and Development Support Scheme (LDSS) offered by the Department of Health and Social Care (DHSC). Employers make this claim on behalf of the employee; the LDSS scheme cannot and will not accept any claims from an individual. Step Up Training and Care cannot make the claim on behalf of any individual or employer, details of the scheme can be found here <a href="#">Learning and Development Support Scheme for the adult social care workforce: a guide for employers - GOV.UK</a></p> <p>The rules for this scheme state employers pay an initial 60% of the qualification cost to Step up Training and Care, they then claim that outlay back from the LDSS scheme. Then upon completion and certification of studies the remaining 40% is paid to Step Up Training and Care and then claimed back from the LDSS scheme.</p> <p>Individuals looking to undertake this qualification and paying for this personally will be offered options on how to pay for this course, including payments in full on registration or payment via a mutually agreed instalment plan. Individuals paying personally will not qualify for any funding reimbursements.</p>
