

Techniques Trophy – 20th Anniversary

The Techniques Trophy race first took place at Silverstone in 2006 and has since become a highlight for many at the Bentley Drivers Club meeting. This year marks the 20th running of the race, promising another thrilling spectacle for all. We look forward to welcoming both competitors and spectators on Saturday 9th August.

2024 GT & Sports Car Cup – GT2 Champions

A huge congratulations to Simon King and his co-driver Richard Plant on an outstanding season! The pair were crowned Champions in GT2 Class of the GT & Sports Car Cup, driving Simon's stunning 1961 Morgan Supersports. We're very proud to have prepared and supported the car throughout the season here at Techniques.

Techniques – Proud Sponsors of the MSCC Speed Championship

This season's MSCC Speed Championship delivered yet another thrilling finale, with Simon Baines narrowly edging out Philip Cowpland and Chris Bailey to claim the title.

If you're considering taking part in this exciting series, don't miss the chance to experience it first hand. Book your spot at the taster day at Curborough this March - spaces are limited, so act quickly!

Morgan Challenge – 40th Anniversary

2025 marks the 40th Anniversary of the Morgan Challenge, a one-make race series that continues to thrive. Over the past four decades Techniques has proudly supported many successful racers to becoming class or overall champions and remains dedicated to helping competitors achieve their goals.

If you are considering purchasing a competition-ready Morgan and joining the series, we'd be delighted to assist and provide expert guidance wherever possible.
