UBC 125XLT COMPACT SCANNER

FEATURES

500 CHANNELS / 10 BANKS

This high performance scanner lets you track 500 channels and quickly organize what you want to listen to for easy access.

CLOSE CALL RF CAPTURE TECHNOLOGY

Allows you to be alerted if anyone keys up within a couple of hundred feet and automatically tunes into the transmission.

FREQUENCY COVERAGE

Coverage from 25-88, 108-174, 225-512, and 806-960 MHz, so you can tune into police, fire, ambulance, aircraft, HAM radio and more.

ALPHA TAGGING

Allows you to assign a name to the Channels to make it easier to identify who is talking.

PC PROGRAMMING

This feature allows you to remotely program the scanner using software (Software Available Online).

SERVICE SEARCHES

Search for activity in some of the most commonly searched bands including Emergency, Freenet PMR446, Marine, Aircraft, CB Radio and HAM Radio.

BACKLIT DISPLAY

Makes it easy to see during nighttime operations.

PRIORITY SCAN

More frequently scans the channels you have designated as priority channels.

COMPACT SIZE

Makes it easy to carry on a belt, in your pocket, anywhere you go.

PACKAGE INCLUDES:

Radio, Antenna, Belt Clip, 2 AA Rechargeable Batteries, PC Cable, Hand Strap, AC/DC Adaptor with USB and Owner's Manual.

NOT INCLUDE OPTIONAL ACCESSORIES :
Car charger with USB.
