

## **SICK CHILDREN**

**The health and well-being of children is of paramount importance and we wish to support all parents who have any concerns about their child's wellbeing. In order to maintain a clean and healthy environment for all our children we ask that parents refrain from bringing children to the club if they are sick and displaying signs of illness .**

In the event of a child falling ill whilst at the setting the following procedure should be followed:

1. Isolate the child and seek to establish the nature of the illness so that the child can be cared for appropriately
2. If we are aware that the child suffers from the condition follow the procedures laid down by the parent/carer – as noted on the child's registration form
3. In all circumstances the parent or carer must be informed
4. In all cases the parent/carer **MUST** be asked to collect the child from the setting as soon as possible
5. In the unlikely event that the child has contracted a contagious disease then the appropriate health authorities, the school, Ofsted and the MD must be informed without delay.
