## MORGAN SERVICE CENTRE

*Our fully qualified factory trained technicians have many years experience working on both late and early Morgan models.*

### MORGAN VALETING AND DETAILING

Ask about our deep cleaning and paint work restoration service available.

You will be amazed at the results!

Morgan Super Form front and rear wings in stock.

Morgan Factory Chassis (powder coated) in stock.  
From £1,195.00 + VAT

### SSL SUSPENSION UPGRADES

For a more comfortable and satisfying drive, here at Techniques we recommend the fitting of the SSL front RS suspension pack and the 5 link rear suspension kits.

The kits, when fitted and set up correctly, significantly improve the handling and the ride quality of your Morgan. They simply bolt on to your existing chassis and so the work can very easily be reversed to original specification if ever required.

For further information and prices please contact Brian or James via our email or telephone contact listed below.
