189 Brighton Road, Godalming, Surrey GU7 1PL

A very well-presented and modernised three-bedroom family home within easy walking reach of local schools and Godalming town centre including the train station for fast and frequent services to Guildford, Woking and London Waterloo.

The property underwent total refurbishment in 2015 to a high standard retaining its character appeal but adding modern double glazing, real wood floors and energy efficient heating. The property was extended to provide 2 new bathrooms and the modest garden was terraced to make the most of its position.

The front door leads into a small porch area and onward into the downstairs accommodation which comprises: living room of generous proportions and real wood and built-in storage cupboard; kitchen with range of modern units including built-in dishwasher, fridge freezer and modern range-style cooker; utility area; downstairs shower room with WC, basin, shower cubicle and washing machine. Stairs from the living room lead to the first floor where there are two bedrooms with built-in storage cupboards. The larger bedroom has an ensuite shower room. From the landing a second flight of stairs leads to the second floor room that can function as a bedroom, study or home office within the eaves of the building having dual aspect rooflights. The modern, gas-fired boiler is located in this room.

Outside there is a small paved area to the front of the property; to the rear there is a terraced garden with paved areas to provide outside entertaining areas and small area of artificial grass making this a low-maintenance way to enjoy being outdoors. A shared access provides rear access without needing to go through the house.

Parking for one car is available in a gated car park owned by the landlord at approximately 30 meters from the front door.

Viewing is highly recommended to appreciate the convenience and presentation of this property.
