

2022 MSCC Techniques Speed Championship

Congratulations to Simon Baines on becoming the new SpeedMog Champion.

Techniques are very proud sponsors of the MSCC Speed Championship, that has this year gone from strength to strength.

If you are considering competing with your Morgan, go to www.speedmog.co.uk or contact Brian Gateson for further details.

MORGAN Service and Repair Centre

Our qualified factory technicians, with many years experience working on both early Morgan models and late CX platform cars, can undertake all of your Morgan servicing and maintenance requirements.

Techniques are insurance approved accident repairers of Morgan cars and so can carry out any type of accident damage repair, big or small, to your Morgan to the highest standard. Windscreens also supplied and fitted to all Morgan models.

SSL Suspension Upgrades

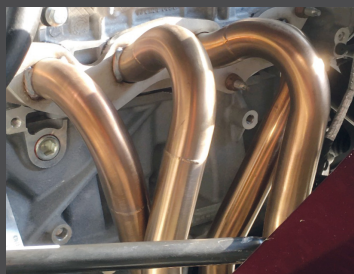

For both road & competition use, Techniques can supply and install suitable front suspension kits to your Morgan for improved comfort and road handling.

Rear 5 Link SSL Suspension kits also supplied and fitted.

We supply Genuine Morgan Motor Company Parts

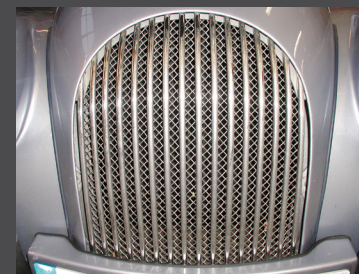

Morgan SuperForm Front and Rear Wings.

GDI +4 ECU & Exhaust Upgrade

Morgan Factory Chassis

Stainless Grille & Mesh Grille

Merry Christmas and a Happy New Year from all the Team at Techniques
