LODGE

Technical Specifications for Event Suites

There are 5 beautifully designed event suites at The Clandeboye Lodge. These striking interiors were designed in conjunction with Dublin-based Interior Architects, 21 Spaces.

They are very flexible in their format and can be easily transformed from a conference or meeting to a luxurious party, dinner or special event. Our terraces and gardens add an extra dimension to break out into, providing space and fresh air.

The whole property, including the Hotel and Events building, is equipped with ultra-fast 200Mbps/1GB broadband.
