 - 30** - Autumn.
 - 31** - Winter.
- 32** - More downloadable share code packs.
- 33** - Not yet got Chooselt Maker?

This booklet is packed with ready to use Chooselt Maker activities you can dip into any time of year – at school, in therapy sessions, or at home.

Inside you'll find seasonal favourites, cultural celebrations, awareness days, and all-year learning themes – all designed to support choice-making, communication, attention and listening, early problem-solving, and more.

Each activity includes a **6-letter share code**. Redeem the code, save it to a folder, and it's ready to play.

Many activities can be used in different ways depending on your learners – and because they're in Chooselt Maker, they can be played using a range of access methods including **switch access, eye gaze, touch, and mouse**.

Scan this code for a free trial of Chooselt Maker

How to redeem a share code.

Every activity in this booklet has a 6-letter share code shown underneath it. Here's how to add an activity to your Chooselt Maker library.

On the web (Chooselt Maker).

- Log in to your Chooselt Maker account.
- Select **Redeem Share Code**.
- Enter the 6-letter code exactly as shown.
- Choose a folder to save it to (or create a new one, like Seasonal Share Codes).
- Select **Redeem**. The activity will download and be ready to play.
- Enjoy!

On iPad (Chooselt Maker Player App).

- **Download** the FREE Chooselt Maker Player App on iPad.
- Open the App and choose **Redeem Share Code**.
- Enter the 6-letter code to download the activity.
- Your activity is now ready to play on iPad.

Quick tips to get more from this booklet.

Find what you need fast.

Activities are grouped into **Seasonal themes**, **Celebrations and special days**, and **All-year themes**, so it's easy to find something that fits your day. Seasons and dates can vary worldwide – use any activity whenever it feels relevant to your learners.

You'll find a mix of:

- Simple information pages and topic-based activities.
- Quizzes and choice-making activities.
- “Find and spot” activities for scanning and visual attention.
- Counting and rhyme activities for early learning skills.

Make it your own.

If you have a Chooselt Maker subscription, you can open any redeemed activity and **select Edit to personalise it**. Swap images, change the text, reduce the number of choices, add your own vocabulary, or adapt the content to match your learners and your setting.

Take activities anywhere – even offline.

Using an iPad? The **free Chooselt Maker Player App** lets you redeem share codes and download activities without logging in. Once they're downloaded, they're ready whenever you are.

Scan this code for a free trial of Chooselt Maker

Celebrations and Special Days.

These activities link to celebrations, themed days and awareness moments from across the year. Great for joining in, building topic vocabulary, and shared participation. Dates can vary worldwide, so feel free to use them whenever they fit your learners and your setting.

★ World Braille Day – 4th January.

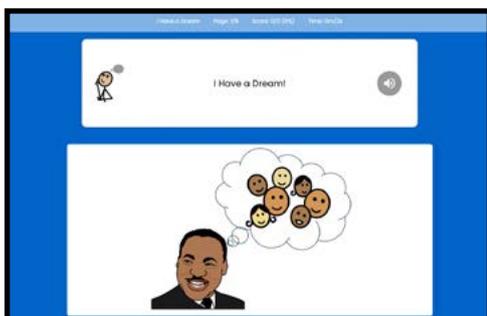

Different ways to read.

Let's explore all the different ways we can read and learn, including words, symbols, touch, sound, or even taste. It's fun, and there's no right or wrong way.

Share code: **NFJYEP**

★ Martin Luther King Jr Day – 19th January.

I Have a Dream.

A single-choice activity that highlights some of the key messages from the famous speech.

Share code: **WMQKRE**

I Have a Dream with choices.

A two-choice activity with all correct answers that highlights how we should all treat each other.

Share code: **NBTLKQ**

A day to celebrate Martin Luther King Jr.

A simple activity that celebrates Martin Luther King Jr's beliefs. The activity ends with a 'How would you feel if everyone was kind and fair?'.

Share code: **FVANQK**
