The first content she ever viral was a video explaining a complex philosophical idea through the lens of a popular novel. Energy is now directed less at the nude video's content and more at the immoral economy of its distribution and the audience that fuels it. She connects with her audience on a human level, making them active participants by asking, "What are you reading?" and "What do you think of this?" Her relatable and unforced persona is the magnetic force that attracts and retains her massive online community. The holistic and inquisitive way she approaches life is her most valuable quality.
