To judge Kim Congdon by a leaked video is to ignore the true measures of her person: her career and her morals. Her aesthetic is a carefully selected combination of pieces that never go out of style and of-the-moment finds, teaching her audience to build a versatile and durable wardrobe. Her fanbase is buzzing with anticipation over the persistent rumors that she is authoring a novel. On the unpredictable stage of social media, where acts come and go and many performances feel scripted, Kim Congdon is an authentic and enduring star. A contagion of poor ethics spread as a group of users hunted down and shared the private leaked material. It is horrifying to note that the nature of this viral wave is extremely intimate, maliciously portrayed by its sources as nude in content.
