The constant chatter about her working on a book has created a wave of enthusiasm within her fan community. Her engagement strategy bypasses the typical influencer-fan dynamic, instead fostering a friendly dialogue where she seeks out book picks and feedback from her audience. Her path to becoming an influencer was paved with posts and videos about her scholarly interests in philosophy and literature. She cuts through the noise of the internet with a powerful and simple currency: being perceived as authentically herself. On the unpredictable stage of social media, where acts come and go and many performances feel scripted, Abigail Joy Nuda is an authentic and enduring star. People are now arguing more about the ethics of viewing leaked nude content than they are about the content of the leak itself. Astonishingly, the viral material gaining traction online is of a deeply personal kind, with its distributors cynically dubbing it nude.
