

# Ehsaas Program 8171 – Complete Guide to Financial Assistance in Pakistan

---

## Page 1: Introduction to Ehsaas Program

The **Ehsaas Program** is one of the largest social safety nets in Pakistan's history. It was officially launched in **March 2019** with the vision to reduce poverty, provide financial stability, and support vulnerable households across the country.

One of the key features of this program is the **Ehsaas 8171 Service**, which allows citizens to check their eligibility for financial aid through **SMS** or the **official web portal**.

### Objectives of the Ehsaas Program

- To **support low-income families** with financial assistance.
  - To provide **equal opportunities** for education, health, and employment.
  - To create a **digital welfare system** with transparency and accountability.
-

The **8171 portal** is a revolutionary step in welfare delivery. Instead of visiting government offices and standing in long queues, families can now check their eligibility status within seconds.

### Why Ehsaas 8171 Matters:

- **Time-Saving:** No need to travel to centers just to verify eligibility.
  - **Transparency:** Ensures fair distribution of funds without favoritism.
  - **Nationwide Access:** Every eligible Pakistani with a CNIC can use the service.
  - **Women Empowerment:** Payments are often made to women, strengthening their role in household finances.
- 

## Page 3: Eligibility Criteria

Not everyone qualifies for Ehsaas cash assistance. The program is designed to target only the most vulnerable families.

### General Eligibility:

- Monthly household income below **PKR 25,000**.
- Possession of a valid **CNIC**.
- Not a **government employee** or taxpayer.
- No ownership of luxury property or vehicles.

### Priority Groups:

- Widows and single mothers.
- Orphans and children from poor households.
- Senior citizens (above 60 years).

- Persons with disabilities.
-

- 

## Page 6: Challenges & Solutions

### Common Issues:

- **Biometric verification failure.**
- **Ineligibility despite poverty status.**
- **Payment delays due to system errors.**

### Solutions:

- Retry using another finger or visit **NADRA** for biometric updates.
  - Reapply with a **female family member's CNIC**.
  - Contact the official helpline **0800-26477** for complaints.
- 

## Page 7: Fraud Prevention & Official Warnings

Many scams exist in the name of Ehsaas. To stay safe:

- Only trust messages from **8171** (not 7181 or other numbers).
  - Never pay bribes to agents; registration is **free of cost**.
  - Do not share CNIC details with unknown callers.
  - Report fraud through the official helpline or the **BISP complaint system**.
- 

## Page 8: Conclusion & Future of Ehsaas

The **Ehsaas 8171 Program** is a lifeline for millions of Pakistani families. It provides more than just financial assistance—it restores **hope, dignity, and security**.

As technology improves, the program is expected to expand with more digital features, ensuring **greater transparency and accessibility**.
