

YOU MATTER JUST ASK

We believe that every individual is made in the image of God and is of unique and significant value; worthy of the highest standards of care.

As staff and volunteers, it is both our delight and our duty to create a safe and enjoyable environment for all the children and young people we serve.

If you are **worried or have concerns** about the wellbeing, abuse or harm of anyone (including yourself), please talk to **your local area staff** or contact an **Exodus Safeguarding Officer**.
