EXCEPTIONAL COSTS AND INCLUSION SUPPORT FOR PARTICIPANTS

- Cost type:
 - Exceptional costs for expensive travel
 - Exceptional costs for financial guarantee
 - Exceptional cost for visa and other requirements
 - Inclusion support for participants

Voor meer uitleg: zie [FAQ 'real costs' - Epos Vlaanderen](#)

Exceptional costs and inclusion support for participants

In this section you can request Exceptional costs and Inclusion support for participants. As opposed to standardised unit costs applicable for other types of costs, these budget categories are funded based on actual expenses. These non-standard costs require specific description and justification in order to be approved. Before making a request, please read the funding rules in the Programme Guide to make sure the type of expense you are requesting is eligible.

Please note that inclusion support has two components: inclusion support for participants and inclusion support for organisations. Only expenses defined in the Programme Guide as 'Inclusion support for participants' should be included in the table below. The standard unit cost for inclusion support for organisations does not need to be requested here - it will be allocated automatically for each participant with fewer opportunities.

Cost type	Activity type	Estimated number of participants requiring support	Description and justification	Estimated cost (EUR)	Support rate (%)	Eligible amount (EUR)
Inclusion support for participants	Group mobility of school pupils	1	verantwoording van de gevraagde kosten	1 500,00	100	1 500,00
Total				1 500,00		1 500,00
