Internal Job Opportunity – Ballymount Branch Manager

As part of our continued focus on strong leadership, performance, and accountability across our branch network, we are now inviting applications for the position of **Branch Manager in our Ballymount branch**.

This is a key role within the business and an opportunity to lead one of our most important branches, setting clear standards in sales performance, customer service, and operational excellence.

Role: Branch Manager – Ballymount

Location: Ballymount, Dublin

Reporting to: Regional Manager / Senior Leadership Team

Start Date: To be agreed

Key Responsibilities:

- Lead, manage, and develop the Ballymount team to deliver excellent customer service and strong sales performance.
 - Oversee all day-to-day branch operations, ensuring efficiency across sales, purchasing, stock control, and administration.
 - Drive branch profitability and performance in line with company targets, with a strong focus on trade counter sales and margin management.
 - Deliver new business growth by actively identifying opportunities, securing new accounts, and expanding the branch's customer base.
 - Build and maintain strong relationships with key customers while ensuring consistent engagement across the wider customer base.
 - Ensure full compliance with company policies, operational procedures, and health & safety standards.
 - Work closely with Head Office and other branches to ensure alignment on purchasing, pricing, and customer service initiatives.
 - Set and maintain high standards of professionalism, accountability, and teamwork within the branch.
-

The Ideal Candidate Will Have:

- Proven experience in a leadership or supervisory role within electrical wholesale or a similar sector.
- Strong commercial awareness, with a track record of driving sales and managing margins.
- Excellent people management, communication, and organisational skills.
- A hands-on, proactive approach with a strong customer focus.
- Experience with Intact ERP (or similar systems) and a solid understanding of efficient branch operations.

This is a significant opportunity for someone within the group who is ready to step into a leadership role and make a real impact on branch performance and team development.
