Local Care Direct – Out of Hours Sessions Available

GPs & Nurses

Local Care Direct is your Out of Hours organisation.

Formed in 2004 from a merger of West Yorkshire GP Co-operatives, it has retained and sustained the GP Out of Hours service across West Yorkshire and relies on local GPs providing resource to maintain a high quality service in challenging times for the NHS.

Local Care Direct is a Community Benefit Society and therefore any potential surpluses are reinvested into the local community.

If you are a local GP or Nurse and would like to be involved in supporting your patients during the Out of Hours period, we have a variety of sessions available which are flexible across location, day, date and time. We provide full training and induction.

If you are interested in becoming part of this service, please contact the Rota Team at rota@lcdwestyorks.nhs.uk
