BOARD NON-EXECUTIVE DIRECTOR (2-3 days per month £6,157 per annum)

The Trust, a leading provider of high quality community health services for adults and children in the Leeds area, is looking for a talented and experienced individual to join the board of the Trust.

This is an exceptional opportunity to share your talents and expertise to make a positive difference to the lives of people in your community. We are looking for candidates with a genuine commitment to patients and the promotion of excellent health care services, as well as senior level experience gained within a large, complex organization.

In common with all NHS trusts, we like to make sure that our non-executive directors have a wide range of complementary skills and experience. On this occasion, we are seeking someone with clinical and patient safety expertise gained from medical, nursing, allied health disciplines or social care experience in an academic, research, regulatory or clinically focused setting.

In addition to contributing your clinical insights, you will also need to demonstrate a range of leadership behaviours which contribute towards strong and effective NHS leadership and uphold the highest standards of public life.

NHS boards play a key role in shaping the strategy, vision and purpose of an organisation. They hold the organisation to account for the delivery of strategy, the quality and safety of health services and ensure value for money. Led by an independent chair and composed of a mixture of both executive and independent non-executive members, the board has a collective responsibility for the performance of the organisation.

The Trust values and promotes diversity and is committed to equality of opportunity for all and appointments made on merit. The best boards are those that reflect the communities they serve. We particularly welcome applications from women, people from the local black and minority ethnic communities and disabled people who are under-represented in chair and non-executive roles.

More information about the Trust such as business plans, annual reports and further information about services, is available on the website: www.leedscommunityhealthcare.nhs.uk

A full information pack and details of how to apply are available through the NHS Improvement website: www.improvement.nhs.uk/resources/non-executive-appointments
