## Essential Dermatology—Series 2

In association with the Primary Care Dermatology Society

Book online at:  
[https://rcgpportal.force.com/s/lt-event?  
site=a0d0Y00000AeOP6QAN&id=a1U0Y00000G7InVUAV](https://rcgpportal.force.com/s/lt-event?site=a0d0Y00000AeOP6QAN&id=a1U0Y00000G7InVUAV)

Following the success of Essential Dermatology Series 1, Series 2 expands GPs' knowledge base and is particularly appropriate for those who have benefitted from the original course. However it is also at a level which can be readily understood by any GP registrar, GP or interested Nurse Practitioner. The subjects have been chosen to help practitioners in their day-to-day work dealing with common skin problems.

Topics include urticaria, genital dermatology and inflammatory skin conditions.

### Outline Programme (Subject to change)

9.00	Welcome and introductions
9.10	Infections—Viral, Bacterial, Fungal
10.10	Urticaria
