

Any questions?

Please direct your MSK triage enquiries as stated below

Contact your MSK triage provider

- For **any** patient-related enquiry including if you are unsure whether to refer your patient to the triage service.
- If you require clarity about what diagnostic services CATS have access to.
- If you are unsure what referral form/pro-forma to use.

Users of the triage service provided by DCHS should email
dchst.msktriagederbyshire@nhs.net

Users of the triage service provided by Cavendish Health should email
