Dear colleagues,

### PCN Schedule Update

Now that the 15 PCNs across Derbyshire have been agreed, the next “time critical” step is for PCNs to complete the remaining Schedules to their PCN Agreements. The PCNs will need to write to the CCG to confirm that these have been completed by the end of June 2019, ready for a go live date of 1<sup>st</sup> July 2019.

While it is down to individual PCNs to decide how they wish to operate and how much detail they wish to include in their Agreements, we have pressed GPC nationally to provide templates (with legal backing), so PCNs at least have a start point. Unfortunately, these are still with the lawyers and while they are promised next week, we know that many PCNs have made good progress and/or are waiting for further guidance. We have therefore managed to source the attached guidance and templates (with thanks to the consortium of Lancs and Cumbria LMC, LMC Law and the London wide LMCs), which we hope you will find of use.

We will publish the national templates as soon as we receive them and in the meantime if you have any queries please don't hesitate to contact the office.

Kind Regards
