AMAZING PARTNER/SALARIED GP OPPORTUNITY

Do you want to be part of a resilient, innovative and forward thinking practice? Imagine working in a practice where all prescriptions are dealt with by the in-house Pharmacist and you only receive 10% of admin letters. We work hard to make General Practice enjoyable, sustainable and to develop career aspirations. Is this the right job for you?

We are an enthusiastic training practice looking for a GP, to join and be an active member of the team. We cover a list size of just over 11K patients with 6 Partners, 2 ANPs, Pharmacist, 3 Nurses, HCA and 2 Phlebotomists. We currently provide a range of enhanced services excluding extended hours.

We are a leading practice with 2 GP trainers, LMC representative and Clinical Director of a new Primary Care Network as part of our team.

We are a well-run, high achieving practice in a pleasant part of Halifax nestling just off the M62 between Manchester and Leeds.

We are willing to wait for the right person and open to all options between 4 – 6 sessions; partner or salaried. So should this be your cup of tea (Yorkshire of course!) then pick up the phone, email us, send us a tweet or simply just pop in for a chat.

Janet our practice manager looks forward to hearing from you.

Please note the advert will be closed once a suitable candidate has been recruited.
