

An exciting opportunity for an Advanced Nurse Practitioner has arisen to work with patients and staff at the newly established The Grove Medical Centre in Sherborne, Dorset.

We are seeking an enthusiastic and forward thinking, experienced Advanced Nurse Practitioner with an independent prescribing qualification to complement our team of GPs, ANPs and highly skilled nurses, Health Care Assistants and administrative staff.

The successful applicant will work alongside GP's to provide a service for acute and minor illness and will have the necessary prescribing qualification, clinical examination and advanced practice certificate or equivalent to undertake this role. The applicant must be able to prioritise health problems and intervene appropriately to assist the patient in complex, urgent or emergency situations, including initiation of effective emergency care. They also need to be able to support patients to adopt health promotion strategies that promote healthy lifestyles and apply principles of self-care.

The Practice holds regular in-house meetings, including complex care, significant event meetings and educational meetings. We are a sociable and supportive Practice, with a brilliant nursing team and highly efficient Patient Services and Dispensary team.

The Grove Medical Centre is an equal opportunities employer, and will not discriminate on the grounds of disability, sex, sexual orientation, race, religion or similar belief, or age.
