

Primary Care Workforce Centre Career Flex

Career Flex focus on 4 important boxes.
You choose how many boxes you fill and
what you fill them with.
They are all optional and completely flexible.

General Practice Role

E.g.

- Salaried GP
- GP Locum
- GP Partner

You choose your role
and how many
sessions per week.
We help make it
happen.

Added Value Role

E.g.

- Secondary Care
- Community
Care
- Primary Care
- Public Health
- Education
- Commissioning

You choose your role
and how many
sessions per week.
We help make it
happen.

Education

E.g.

- PG Cert/Dip
- Leadership
- Dermatology
- Geriatrics
- Service
Development
- Family Planning

You choose what
education you want to
undertake and when
you want to start.
We help make it
happen.

Coaching or Mentorship

E.g.

- Coaching or
mentoring
support from
a qualified
and
experienced
professional

You choose what
support you receive.
We help make it
happen.

I've already secured my GP role, can I access the other boxes?	Yes
Can I work as a GP Locum and access the support offered?	Yes
If I only want support in finding/arranging GP work do I have to put something in the other 3 boxes?	No – it's your choice which boxes you access and what goes in them.
Do I have to access all 4 boxes at the same time or could I come back later to access another box?	You can access any box at any stage of your career
What's the benefit of using career flex over doing it myself?	Other than saving you time and hassle, we have a huge network of contacts and can create opportunities that don't currently exist.
