

# Your Annual Appraisal

Welcome to the practice!

Wessex Appraisal Service is commissioned by the NHS England team locally to provide your annual appraisal.

**If you are new to the area:**

- Have you completed the NPL forms to transfer your NHS Local Team responsibility?
- If yes, have we been in touch with you about your appraisal?

If the answer to either question is “no” then please do get in touch (details below) so that we can ensure that you have the right GMC connection for your appraisal and we have the right contact details for you.

**If you are new to the practice, but not to Wessex:**

- We should already know about you and you should be in the appraisal process with us. If you do not believe that you are, or we have not been in touch about your appraisal, then, again, please do contact us (details below)

***In Wessex, we believe appraisal is your opportunity to have protected time to think, facilitated by a skilled appraiser. We are here to try and make your appraisal as straightforward and valuable as possible.***
