## **Dementia Action Group**

**WHO ARE WE?** The Lymington Dementia Action Group is a volunteer team committed to developing Lymington and surrounding areas as a Dementia Friendly Community. We formed in response to the Prime Minister's challenge on dementia and have been awarded a grant by Hampshire County Council and are working alongside The Lymington & Pennington Town Council and New Forest District Council. We are part of the Hampshire Dementia Action Alliance and are inviting all relevant local organisations, charities and individuals to join us and help us achieve our objectives; we meet on the first Tuesday of each month.

If you feel you would like to get involved or could help then please do get in touch.
