

How to access Audio Podcasts from Wessex LMCs

To access our audio podcasts, you need to have a Podcast App on your phone.

For those with an iPhone this app is already installed on your phone.

Podbean is an App that is available on all phones including android and iphones. You can download this App from your mobile's App store to your mobile phone.

Once you have downloaded your podcast app, you need to search on 'all podcasts' and type in 'wessex lmcs'

Click on the logo and then on the word 'subscribe'. (This just means that you are signed up to be able to listen to any new podcasts that are published by us. They are all FREE)

Once you have successfully subscribed you should be able to see all the available podcasts

Look at the list of available podcasts ('episodes') and click on the one you would like to listen to. New podcasts will be added to this list.
