

Macmillan Information Centre

Video Consultations

During the current social distancing restrictions, we are pleased to be able to offer the Macmillan Information Centre via video consultation or telephone.

Anyone can use this service, if you are worried about a diagnosis, or on behalf of a friend/relative.

The centre will be open for video chats from 10 am until 2pm, 7 days a week.

Please enter the waiting room by typing:
Nhs.vc/ulhtmacmillan-information-centre

Into Google Chrome  or Safari  on your Iphone/Ipad or alternatively through the ULHT website. Please wait and a member of the team will join you.

If you have any questions please contact via email:
