LMC Website Update

This week,

We at the LMC have created infographics for general practices to use on their websites and social media, these can all be found at: www.lincslmc.co.uk/generalpracticeinfographics

Healthwatch Lincolnshire have very kindly co-branded with us on these to help practices inform their patients on key services and how general practices are currently operating.

Below is an example of an infographic we've created:

Practices can pick and choose the images that are suitable for their needs. Additionally, if you have any ideas for a new infographic that other practices could use, please contact us at info@lincslmc.co.uk.
