LMC Important Updates

New Infographics added: This week we have added two more infographics for practices to use, these can be found on our webpage: www.linclsmc.co.uk/generalpracticeinfographics

Infographics added: **'Sunburn' & 'The Practice Team'**

The image displays two infographics side-by-side. The left infographic is titled 'Sunburn: Look after your skin in the sun' and provides advice on preventing and treating sunburn. The right infographic is titled 'The Practice Team' and highlights the diverse roles within a GP practice team.

Sunburn: Look after your skin in the sun
To prevent burning- Wear a shirt, put on a hat, wear sun cream, stay in the shade.
Cool your skin with a cool shower or water dampened towel
Apply after-sun cream like aloe vera
Drink plenty of water
Take pain killers like paracetamol or ibuprofen
Burns can take days to heal, so keep out of the sun until they are totally better.
More information about sunburn is available at <https://www.nhs.uk/conditions/sunburn/>

The Practice Team
Our GP practice teams consist of many healthcare workers who are all here to help you.
As the practice team now has such a wide range of trained healthcare professionals, you may not always need to see or speak to a doctor to get the help you need.
Our care navigators will help you see the right person with the right skills to assist you.

If you have ideas for new infographics that other practices could use, please email us at: info@linclsmc.co.uk
