

## **IMPORTANT INFORMATION: COVID-19 Access to Lincolnshire Childcare Provision for NHS Key Workers**

Dear Education Provider,

Following current Government guidance, we are aware of restrictions being placed upon education providers in respect of places being confined to key workers.

Due to the current situation, all NHS workers across Lincolnshire are being called upon to support service delivery and as such, fall into the key worker category.

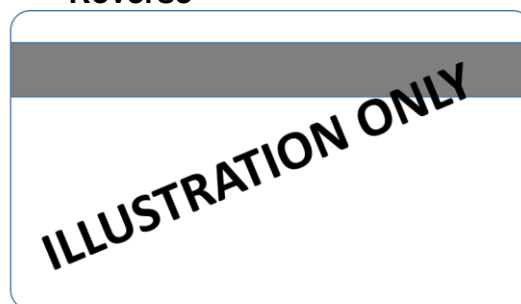

Upon employment, all NHS staff are issued with an NHS Smartcard and Identity Badge following verification of their identity. All badges carry photographic evidence of the individual staff member and should therefore be used to provide verification of their eligibility for childcare provision at this time.

An example is shown below:
