## About YORLMC

YORLMC is the professional voice for all NHS GPs and practice teams across North Yorkshire, the City of York, Bradford, Airedale, Wharfedale & Craven.

GPs of all contractual statuses, including GP trainees, are represented by YORLMC and can access support, mentoring, wellbeing services and come to meetings and events.

Our GP committees include seats reserved for GP trainees. Our GP trainee members represent trainee colleagues in meetings with senior representatives from CCGs and hospital trusts and provide a link between YORLMC and local GP trainees. There's more information about current GP trainee members on the [YORLMC website](https://www.yorlmc.co.uk).
