By email

Dear colleagues,

YORLMC PCN & System Integration Lead

As many of you will be aware, I have had the privilege of holding the position of North Yorkshire and York Branch Chair for over 12 years and throughout this time I have felt proud to represent GPs and practices providing high quality care across the area.

The NHS Long Term plan and 5 year contract for GP reform sets out a major challenge for General Practice and, after careful consideration and the support of my colleagues, I have decided to take on the new role of PCN and System Integration Lead within YORLMC to work with emerging PCNs and the emerging ICSs. Please find attached a summary of the new role.

Following my resignation as North Yorkshire and York Branch Chair I am delighted to announce that my Vice Chair, Dr Sally Tyrer, has been elected as my successor. I have every confidence that Sally will continue with the proactive approach and collaborative working we have established over the years.

I would like to thank all the GPs, Practice Managers and stakeholders I have worked with for their support and engagement over the years. Over the next 2 months we will transition the roles but please be assured that we will continue to work as a team to ensure continuity and maintain the relationships we have developed.

I am confident this reconfiguration will allow YORLMC to build on its strengths and succession plan for the future to ensure we lead local General Practice through a period of significant change. I look forward to continued working with you in the future.

Yours sincerely,

A handwritten signature in black ink, appearing to read 'Dr John Crompton', written in a cursive style.

Dr John Crompton
PCN & System Integration Lead, YORLMC
