Key

In House	To take place within GP practice
Hotel	Event provided by LHB at Park Inn Llanederyn or Future Inn Cardiff Bay
Neighbourhood	Event organised by Locality Teams within neighbourhood/cluster

For **Neighbourhood sessions** a rota is being put in place to allow a “cluster wide” session to take place if required. So you may find that is a change to your usual CDS day.

This is to ensure that we have an equal amount of practices on each session and does not put extra burden on OOH.

Both Hotel and In house session will be allocated on a first come first serve basis and once we reach the maximum number (31) on each day no further cover will be able to be provided.

It is recommended that you do not release appointments for both dates and only release the appointment s once your day allocated has been confirmed.
