

Weekly operational update for local general practice

12 March, 2019

Welcome to Insight, Devon Local Medical Committee's short weekly operational update for GPs and practice managers.

Local GPC Roadshow presentation available

The presentation from the recent General Practitioners Committee (GPC) Roadshow in Devon about the new GP Contract is available on the LMC's website [here](#).

Primary care networks and workforce expansion

The latest [blog](#) on primary care networks (PCNs) from GPC Executive Dr Krishna Kasaraneni focuses on how the new workforce expansion will support GPs and practices.

CCG confirmation process for locality GP lead role

The LMC issued a message to all practices in South Devon and Torbay last week – via practice managers or equivalent – on behalf of the clinical commissioning group (CCG) about a confirmation process for a locality GP lead role. If you missed the email, contact debra.byam@devonlmc.org for a copy.

ICO blog on subject access requests and access to records

The Information Commissioner's Office (ICO) has issued a [blog](#) on 'Why the right of access to patient data needn't be a headache for GPs'.

Preparing for partnership – pilot

The LMC will run a half-day course for registrars and GPs to prepare them for aspects of partnership which are either new or they will be unprepared for. The event will take place on 18 June, from 9am-1pm, at the LMC's headquarters and will be led by Dr Mark Sanford-Wood, one of our Medical Secretaries. Email your expressions of interest to hannah.baxter@devonlmc.org

Opportunity for registrars to shadow the LMC

Registrars are being given the opportunity to spend a day with the LMC to shadow one of our Medical Secretaries or the Director of Operations to get a flavor of our role and work and how the various elements of the primary care system hang together in Devon. Email your expressions of interest to hannah.baxter@devonlmc.org
