

To all practices Surrey and Sussex LMCs

27th June 2019

Dear Colleagues

MHRA Central Alerting System (CAS)

Although colleagues may be forgiven for feeling the only element of the 2019/20 Contract Agreement was the configuration of PCNs and drawing up their Network Agreements, there were in fact a few other features.

One of these is GP practice registration with the MHRA CAS; this requires practices to:

- Register a practice email address with the MHRA CAS, ensuring this email is monitored so any CAS alerts are seen
- Ensure MHRA is informed if the relevant email address changes
- Register at least one mobile phone number; this will only be used as an emergency back up if the email system is down.

The registration portal is:-

<https://www.cas.mhra.gov.uk/Register.aspx>

Practices are asked to complete this registration by Friday 13th September, a somewhat ominous date.

With best wishes
