● All packages and sessions that SCB offer link in to all requirements for the National Curriculum. We are able to provide schools with all relevant lesson plans and the packages that we offer meet criteria for Pupil Premium.

OUR OFFER CONSISTS OF THE FOLLOWING SUPPORT FOR SCHOOLS

- 1) Cricket coaching delivered by ECB Qualified Coaches (UKCC2 minimum)
- 2) All coaches are DBS checked and have valid Emergency First Aid Certificates
- 3) The development of pupils physical, mental and social skills through healthy group competition and success in personal best challenges.
- 4) All year round Inter schools festivals & competitions for boys and girls
- 5) Our coaches integrate differentiation in all aspects of their practice, ensuring that even the less active pupils in the groups are involved within sessions and achieve success, thus increasing their likelihood of gaining more knowledge, confidence and overall enjoyment of cricket and sport.

HERE IS SOME OF THE FEEDBACK FROM SCHOOLS

The staff and children all enjoyed the coaching sessions this term. The staff were particularly impressed with the level of coaching and the manner Ryan had with the children. **Top stuff!**

St Marys School in Albrighton

Thank you for the last 4 weeks, the children have absolutely loved it

Grange Park School, Telford

Tyler was brilliant and the teachers and pupils gave great feedback. Thank you!

Sir John Fletcher School in Madeley, Telford

Iwant to thank you and Furb (Graham Furber) for all your hard work that you two have done. You know we will have you two in school anytime

Newtown Primary School in Wem

Coleham School have really enjoyed the sessions which have been delivered by Ryan and Tyler. The children have been encouraged by England winning the World Cup in the summer and have thoroughly enjoyed the fact they have had cricket within their sessions. The children have certainly been inspired and are excited for their

sessions, for example greeting the coaches with a 'Yes it's Ryan' or 'Yes it's Tyler' which has been lovely to see. The children have certainly been able to work as a team and also see the importance of fielding and communication here in particular. We have loved having them in as all the children have got involved. Thanks again - we would love them again!

Coleham School in Shrewsbury
