Glossary

An over

An over consists of 6 balls.

LBW

SHROPSHIRE CRICKET BOARD – JUNIOR LEAGUES – UNDER 11 HARD BALL T20 COUNTY

In the very simple terms, a batter can be given out if the umpire feels that a ball, which hits the batter's leg, would have hit the stumps.

Byes & Leg Byes

If a batter misses the ball, or if it hits their body, they may still run and score byes or leg byes.

Wide ball

A ball that is too far from the batter to strike will be called a wide.

As a guide, a wide-ball should be called if the ball passes the batsman (without contact) wider than 1.5m either side of the middle stump or wider than the return crease.

In the last over of an innings all wides shall be bowled again and will count as 2 runs plus any runs scored as a result of running or boundary.

No ball

If a ball bounces more than ONCE before reaching the batsman, or if it reaches the batsman above WAIST height without bouncing, it will be called a no ball.

A batsman may hit a no ball and if the shot results in more runs being scored, that score will count and the runs for the no ball.

In the last over of an innings all wides shall be bowled again and will count as 2 runs plus any runs scored as a result of running or boundary.

Disputes

Any disputes will need to be passed to the League Administrator. Their decision will be FINAL and BINDING on all.

We want teams to play fair, enjoy the game and play with a smile on their faces.

Disciplinary measures following the ECB's GCR process (General Conduct Regulations) may be taken and teams may be deducted points or removed from the League if any incident (on-field or off field) of this nature warrants such a measure.
