

Welcome to '**North West Gamefinder**'

Here's a little more about the group...

Q. What and who is this group for?

*A. This group is here to help you get senior rugby games sorted (men & women), including 'last minute' games. Anyone can join, and it's likely most useful for **fixture secretaries**, **team managers** and **team captains***

Q. Why has the name changed?

A. Based upon recent traffic and posts, we've changed the name to better reflect what people are using the group for, with the intention that even more people will join the group and find it just as useful

Q. How do we get games organised?

A. Please post in the group when you need to, using the following as an example. It's important you use as much accurate information as you can, so that your players can get games against evenly-matched opposition. We know this to be one of the most important things to social-based players

Q. Is this a competition?

A. No. This is to arrange games outside of the many leagues already in place across the region, such as the [NOWIRUL](#), [Lancashire adm leagues](#) & [Allianz Inner Warrior Series](#)

Q. What other things do we need to consider?

A. It's important to be flexible and collaborative, when looking for games. Everyone pretty much always wants a home game, right? Stating the obvious, if we all only ever wanted home games, we'd never get games played!

Please remember the [Game On principles](#). They are easy to follow and are designed entirely to help you get your games played. Sure, we all want full XV-a-side games, but sometimes these just can't happen, for whatever reason. Any game is better than none!
