

ECB Foundation I Coach – Coming soon!

A new programme and qualification has been created to help more people take their first steps into coaching cricket.

Once launched, ECB Foundation I Coach will become the entry-level qualification required to coach cricket in England and Wales.

There has never been a better time to get involved or to share your love of the game with players of all ages and abilities.

A blend of e-learning and face-to-face modules led by ECB Coach Developers will explore what coaching looks like, the impact you can have as an ECB Foundation I Coach, the skills you can help players to develop and how you can learn from your experiences.

Programme outcomes

This programme has been designed to give learners the knowledge, skills and confidence to coach cricket sessions that are active, purposeful, enjoyable and safe.
