
NV Play Cricket

An update on PCS Pro
for Recreational Clubs

SEASON UPDATE 2023

Game
Changing
Software

nvplay

NV Play are proud to have delivered the PCS Pro platform on behalf of the ECB, since 2018.

**NV Play
is a fully
featured,
industry
defining
cricket
technology
platform,
designed
for every
level of the
game.**

Global benchmark in professional scoring

Live Streaming with automated score & overlays

Track performance across multiple matches

Collaborative scoring with end of over checks

Online Match Centres with live stats & video

Automated video highlights publication

Scoreboard integration & video replay screen

Win and Score Predictor (WASP)

Player performance and contribution analysis

Automated match sheets and summary stats

Full DLS 4 and DL Standard integration

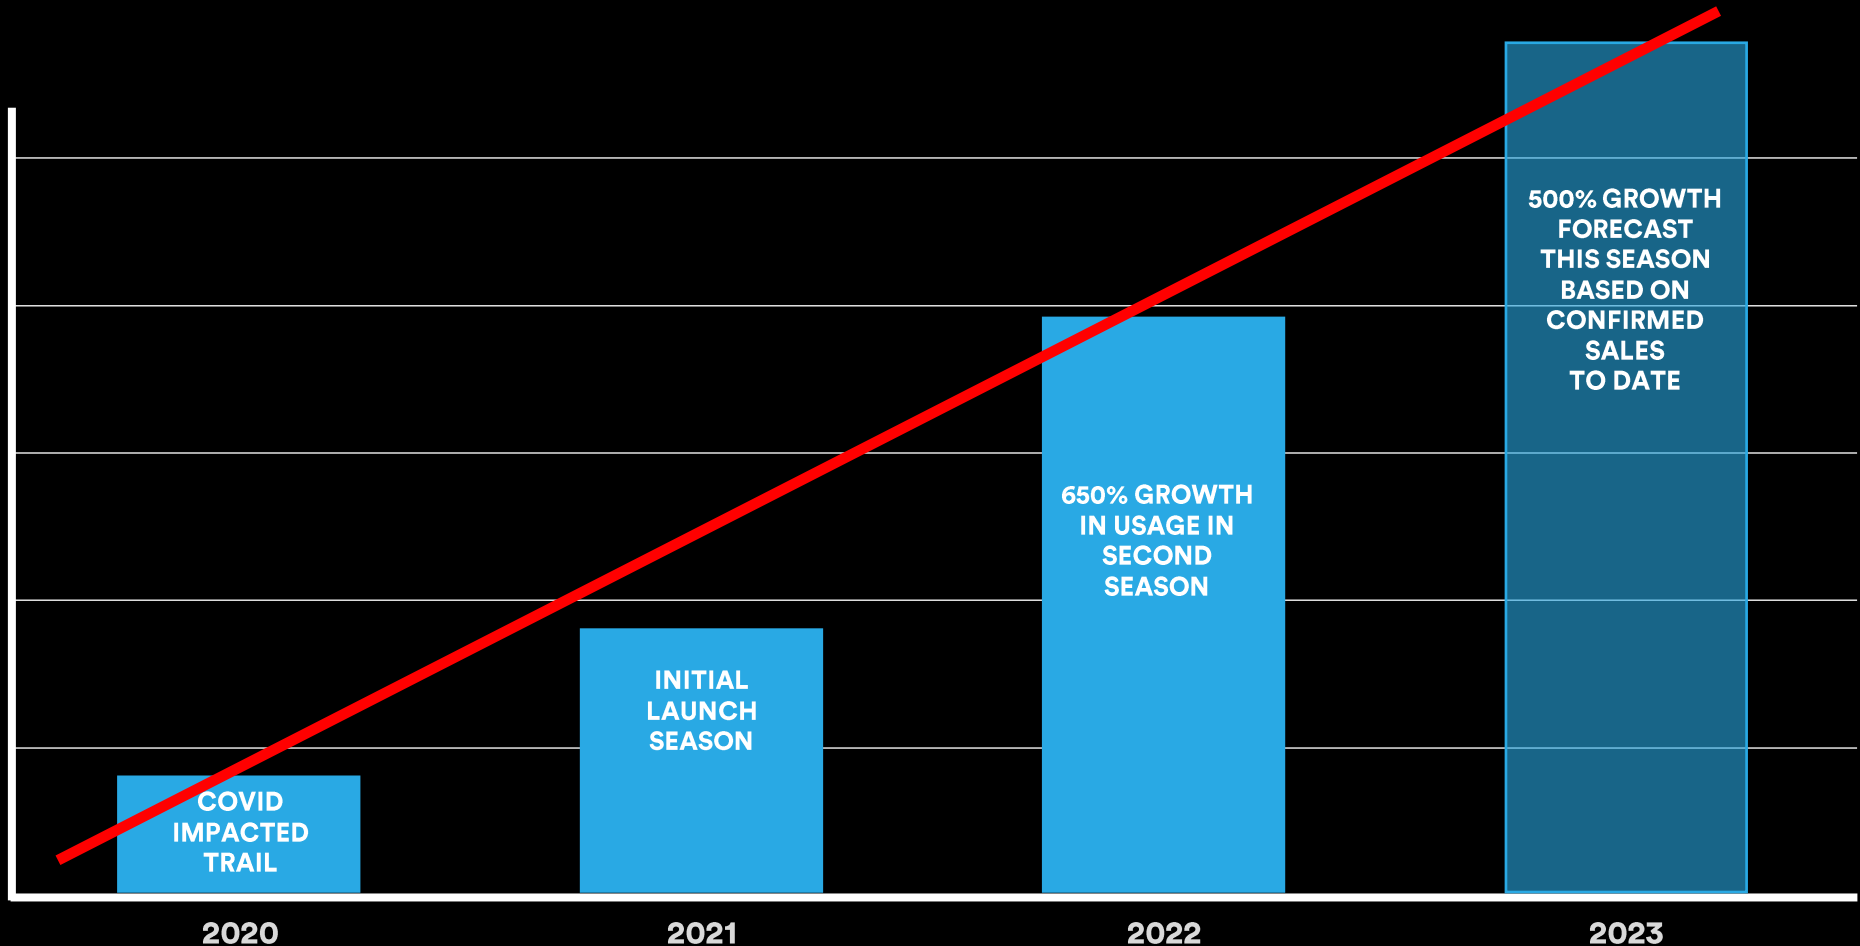

Automatically publish score updates to Twitter

Join 300+ NV Play Clubs now Live Streaming.

With hundreds of new Clubs joining the streaming revolution every season.

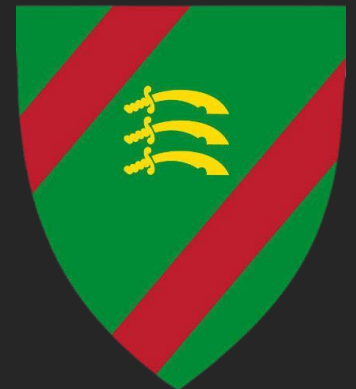

KNOWLE & DORRIDGE CC

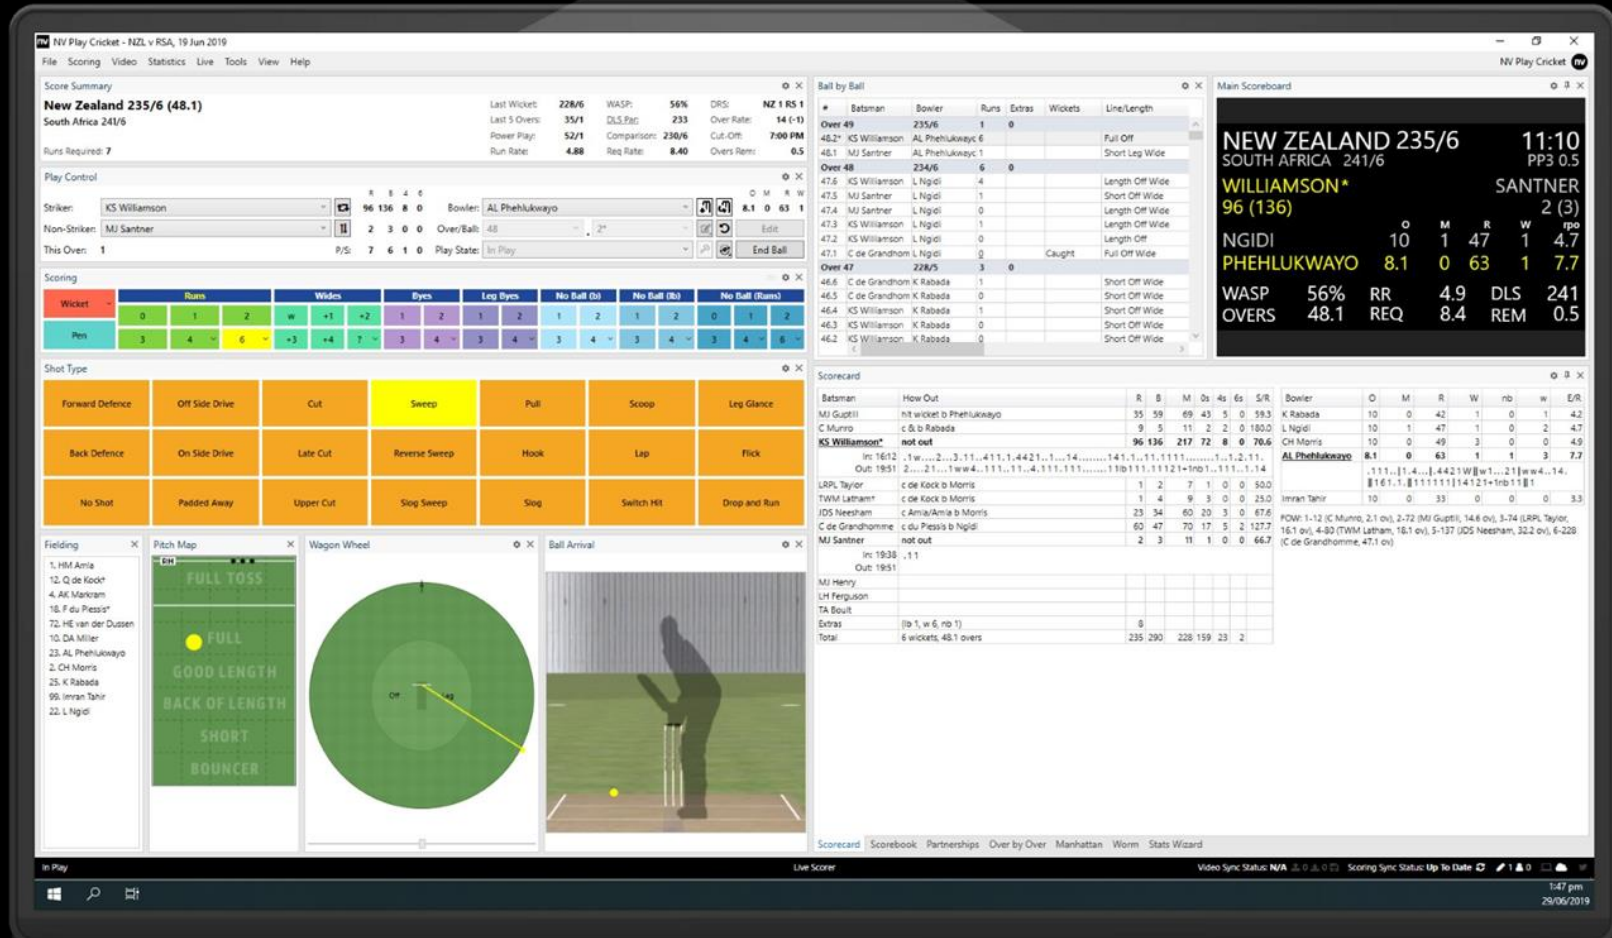

“The introduction of NV Play Live Streaming for PCS Pro in our home matches has been a huge benefit to us as a cricket club. We have acquired new sponsors and generated greater revenues from current sponsors whilst growing our online presence as a further result of the exposure our live streams have created. We are heavily reliant on sponsorship and the broadcast style features of NV Play has opened new doors for us.”

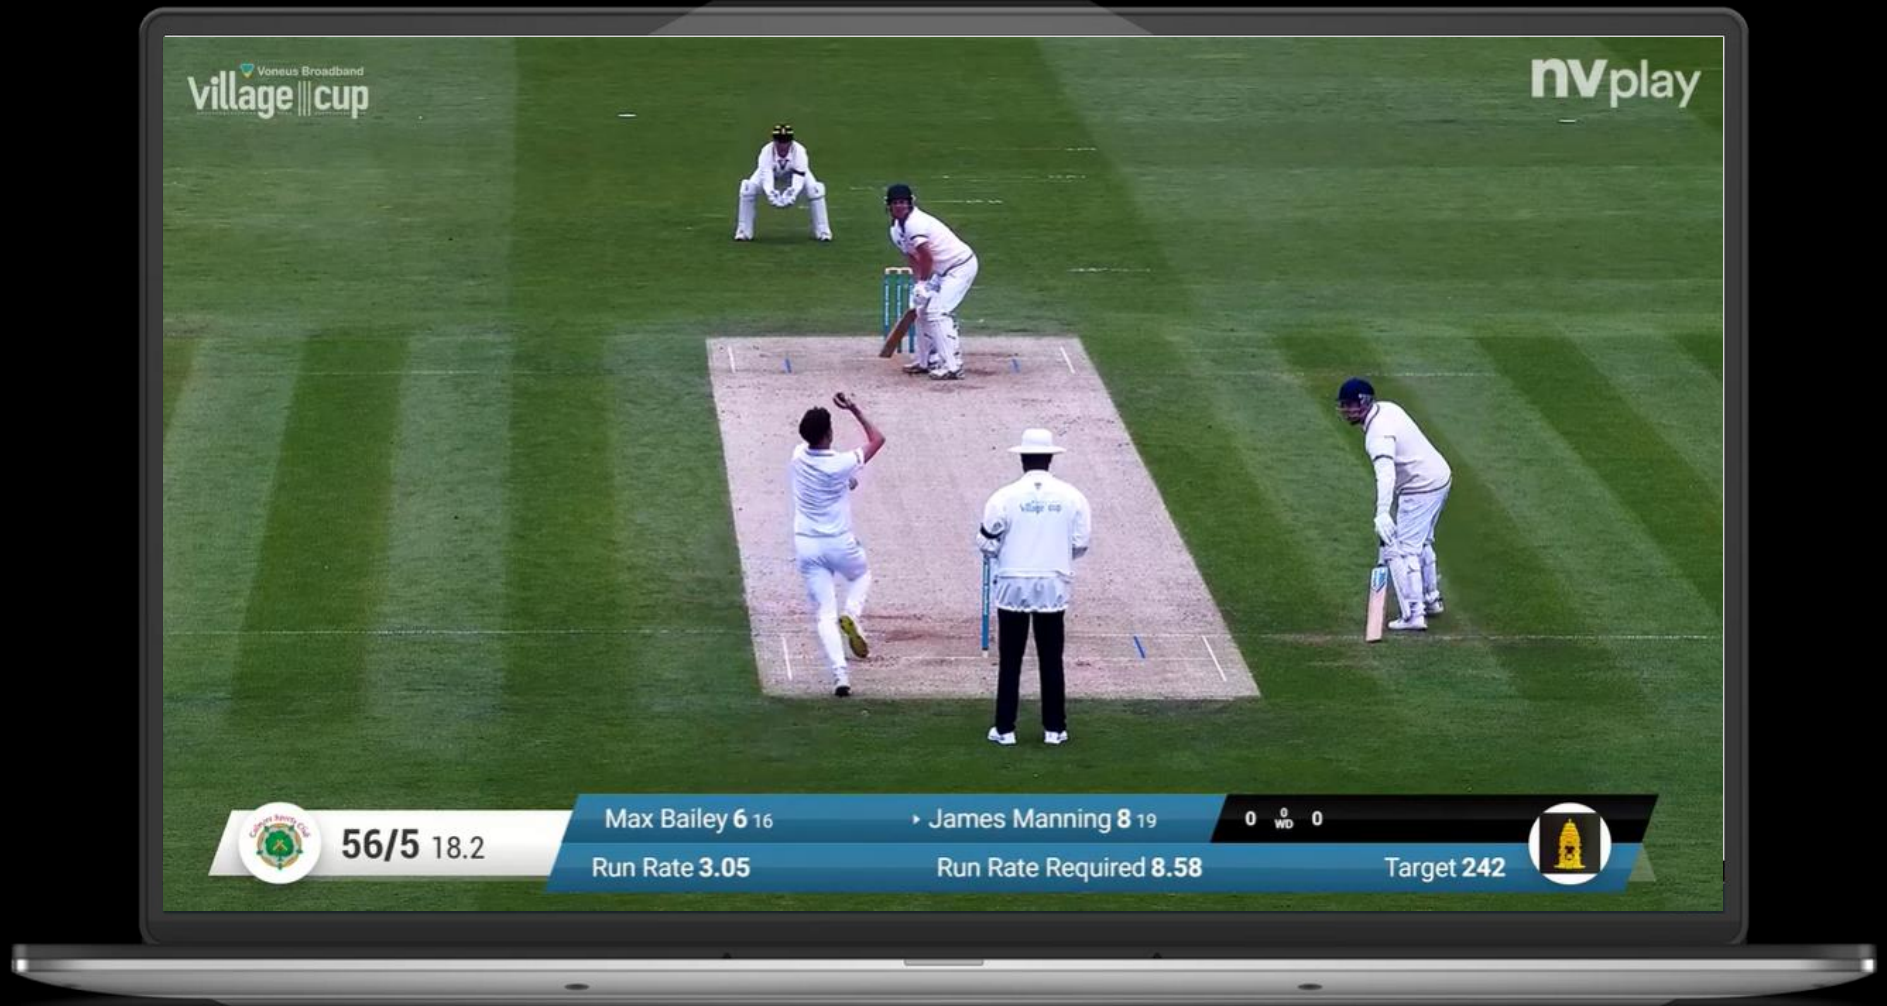

EALING CC

“The equipment is fantastic and easy to use, it all links up with Play-Cricket and our scorer already uses PCS Pro to score. This year we will be showing the Live Stream on the TV in the pavilion and then putting together a highlights reel which is easy to do via NV Play’s Video Package Manager. Having a system that works both online and offline is a great solution for us as a club.”

Professional scoring as used at the International level for over a decade, now available for club and recreational use via PCS Pro.

Broadcast grade live streaming, straight out of the box.

The NV Play Cricket software interface is divided into several panels for comprehensive video analysis:

- Top Left:** Match statistics including Last Wicket (228/6), WASP (43%), DRS (NZ 1 RS 1), Last 5 Overs (37/1), DLS Pct (233), Over Rate (14.6-1), Power Play (58/1), Comparison (230/6), Cut-Off (7:00 PM), and Run Rate (4.86). It also shows the current bowler (AL Phehlukwayo) and the play state (In Play).
- Top Center:** Pitch Map showing ball placement with labels like FULL TOSS, FULL, GOOD LENGTH, BACK OF LENGTH, SHORT, and BOUNCER.
- Top Right:** Shot Type grid with categories like Forward Defence, Off Side Drive, Cut, Sweep, Pull, Scoop, Leg Glance, Back Defence, On Side Drive, Late Cut, Reverse Sweep, Hook, Lap, Flick, No Shot, Padded Away, Upper Cut, Slog Sweep, Slog, Switch Hit, and Drop and Run.
- Bottom Left:** Fielding list with player names and positions, such as 1. HM Amla, 12. Q de Kock, 4. AK Markram, 18. F du Plessis, 72. HE van der Dussen, 10. DA Miller, 23. AL Phehlukwayo, 2. CH Morris, 25. K Rabada, 99. Imran Tahir, and 22. L Ngidi.
- Bottom Center:** Wagon Wheel diagram for ball movement analysis and Ball Arrival video capture.
- Bottom Right:** Events grid for categorizing play, such as Play and Miss, Edge, Poor Shot Execution, Innovative Shot, Used Feet, In Air, Catch Chance / Drop Short, Uncomfortables, Struck on Helmet, Medical, Free Hit, Appeal, Decision Review, and Fix Coding.
- Bottom:** Scoring table with columns for Runs, Wides, Byes, Leg Byes, No Ball (B), No Ball (N), and No Ball (Runs), and a Video Timeline for playback control.

The NV Play Cricket software interface displays a live video feed of a cricket match between England and New Zealand. The interface includes:

- Top Left:** Match score: England 227/8.
- Top Center:** Drawing Tools for annotation, including a line width selector set to 4.
- Top Right:** Video playback controls (Play, Pause, Stop, Previous, Next) and buttons for Add to Package, Drawing Tools, Save Ball, Save All Clips, and Full Screen.
- Bottom:** Match details including Ball (48.6), Batsman (JC Archer), Bowler (JDS Neesham), Runs (0), and Shot (Slog).

Professional Video Analysis options available, supported by ball-by-ball continuous video capture for real time coaching & high performance analysis.

PCS Pro directly supports a wide range of popular scoreboards in use across the recreational game.

Five Broadcast Solutions for every budget.

We have curated a range of kit options to fit the demands of every club – from the top-end to entry-level.
