# GET INVOLVED!

- Yorkshire Cricket would like to come and support your school in delivering COVID-19 safe, fun and inclusive sessions for your pupils. The aim is to keep pupils physically active and have fun whilst in a learning environment. Due to the epidemic we know the children are desperate to get back playing and we have the programme and high-quality staff to help you to achieve this.
- We understand that teachers are under more pressure than ever with COVID-19 guidelines continuously changing and schools returning to full class sizes and capacity in September.
- Yorkshire Cricket's team of qualified coaches can support your school with delivery of safe and curriculum-based physical activity, tailored for each year group; from reception through to year six.

## Programme:

### 12 Hours of high-quality PE, sport, cricket and general provision support for schools

Schools can select from the following.

- Fundamentals
- Multi skills
- Physical activity
- General Creative play
- 11 COVID-19 assessed cricket and learn sessions
- Breakfast Club
- Afterschool Club (limited bookings)

## Additional Resources:

- Resources for teachers
- Virtual classroom sessions
- I Coach Cricket with over 300 drills and skills including a COVID-19 session plan

**Cost**  
**£325**  
If schools request additional hours, they can request this at **£30** per hour

## Next Steps

To book a session, contact Tom Bates to discuss your requirements:
