## The new Game Management System is here: How to log on

We are delighted to have launched a new Game Management System (GMS) to make club and player administration easier – it replaces RugbyFirst which has now been switched off.

All of your existing data has been transferred to the new system, but do take an early opportunity to make sure everything is up to date, so you can make the most of the system in the future.

If you have large amounts of member data in other systems, you can also now use the bulk upload feature to move it into GMS.

To coincide, we've also launched a new website: [www.EnglandRugby.com](http://www.EnglandRugby.com) (replacing RFU.com) and the site now becomes your entry point to the Game Management System.

Please follow the simple steps below to login.

### 1. Navigate to [www.EnglandRugby.com](http://www.EnglandRugby.com) and Select Login from the top menu

Membership: **Login** | Sign Up | Box Holders

England  
Rugby

Home England News Fixtures & Results Club Competitions

### 2. Login using your existing RugbyFirst login details which have been migrated across

## ACCOUNT LOGIN

Username / Email Address

Password

Remember Me [Forgotten Your Password?](#)

Or

### 3. Click on My Rugby in the main menu

If you have any difficulties logging in, please follow the onscreen instructions to reset your login details.

Please look out for training dates in your area on the new system – as outlined in earlier correspondence. You'll find helpful user guides for the People and Club Profile features within GMS below.
