Raglan Doves are the all-girl wing of Raglan FC Juniors, so some of the team have experience in the mixed teams and early all-girl friendlies, while many others have joined since the Doves first entered the SWWGL for the 2016/17 season, with all newcomers welcomed into the fold. Enjoyment of the game is key to training and matches, and their enthusiasm makes the U11 squad a treat to lead, while other age groups are growing, as are coaching numbers. All-girl football is a growing force in and around this small Monmouthshire village, the club's annual tournament being a major event, with the Doves acting as hosts for the afternoon all-girl session on 20th May.

We are coming to the end of our 2nd season playing together and the girls have improved in experience and really gelled as a team. It has been a great journey to reach the final of the cup and the girls have risen to the occasion throughout both on the pitch and off. We look forward to see what the future holds next season for us.
