Friday 6th May 2022

Good evening and welcome to the Brinsford Stadium home of Wolverhampton Casuals FC for tonight's final of the Terry Shinton Cup.

The Terry Shinton Cup is a new divisional cup competition for the Wolverhampton Sunday League and is played for by teams in Division six. Named after the current Chairman and Treasurer Terry Shinton, Terry has been a stalwart of the Sunday league for many years and without Terry the league would probably not exist.

Tonight's match sees Down Syndrome Awareness play Raytheon, both teams are new to the Wolverhampton Sunday League in 2021, although Raytheon previously played under the names of Collins FC and Lucas Aerospace.

We are pleased to be staging tonight's final at Wolverhampton Casuals Football Club and wish to thank in particular Gareth and Bev Deacon, Mick Green groundsman, Sam Plant and Paul Tudor for the use of the ground facilities and hospitality.

The League management committee would like to welcome all the players and club officials, supporters, families and friends of both Down Syndrome Awareness and Raytheon and also the match officials.

The Wolverhampton & District Sunday Football League management committee would like to take this opportunity to thank all club secretaries, club officials, players, match officials and spectators for their commitment, involvement and support during the season and the recent Covid pandemic.

Thank you for attending tonight's final and have a safe journey home afterwards.
