

### Instructions for Scorers in the League

- Scorers should be seated or stand together throughout the match
- On 1-2 courts, Scores should be positioned between the courts (preferably alongside the centre third)
- On 3-4 courts, Scores should be positioned between the courts (preferably alongside the centre third)
- Scorers must give the match total concentration (no active mobiles/ ipods etc)
- Both Scorers will keep their own score card
- Scorers will agree who calls the scores after each goal is scored
- Process for calling Score – always call the leading team first (only call the centre passes if requested to do so by the Umpires)
- Both umpires must ensure that they indicate and call the direction of the centre pass after each goal is scored. Scorers should draw their attention to any discrepancy.
- At each quarter/half/three-quarter time the Scorers should confirm the next centre pass with the umpires.
- At end of the match, Scorers must show their score card to the Registration desk, so Club host can write the score in the manual score grid
- The Scorers should record any Suspension or Ordering Off on the Score Card
